DEPARTMENT OF CHEMISTRY

SPECTRON'23

The Chemistry Department's organized an engaging event titled **"SPECTRON'23"** with the primary aim of promoting extracurricular activities among students. The event featured a diverse range of activities, including Quiz Competition and Open Mic.

The event took place on 6th MAY, 2023 at 10:00am. Nearly 55 participants attended the event.

<u>Inaugural ceremony:</u>

The event kicked off with an inaugural ceremony, graced by esteemed teachers from the Chemistry Department. The event started with lamp lighting by chief guest **Dr. Ashu Gupta,** preceded by Saraswati vandana. The audience was then energized by humming DELHI UNIVERSITY KULGEET in unison. DR. Ashu Gupta enlightened the audience with her speech.

CHEMETHON : The Quiz Competition:-

Started from 10:30 am-11:30 am. The contest tested how well participants knew chemistry and how smart they were with easy questions that made them curious about the subject. It showed off students' smarts and encouraged friendly competition.

The Excited State: Open Mic :-

The open mic contest encouraged participants to incorporate a dash of chemistry into their performances, adding an element of curiosity and intrigue to the stage. It provided a platform for artistic expression while also igniting interest in science among the audience, fostering a dynamic atmosphere of creativity and exploration.

THE WINNERS OF THE CHEMETHON : QUIZ –

- 1ST POSITION – Soumitra
- 2ND POSITION – tiya
- 3RD POSITION – aditya

THE WINNERS OF THE EXCITED STATE : OPEN MIC -

- 1ST POSITION – Nistarini
- 2ND POSITION – Abhay Singh
- 3RD POSITION – Karunesh

CONCLUSION

In conclusion, Spectron'23 organized by the Chemistry Department of Shyam Lal College successfully combined the excitement of a quiz competition with the creativity of an open mic event. By engaging participants in both academic challenges and artistic expression, Spectron'23 fostered a vibrant atmosphere of curiosity, learning, and community engagement.
