

# **DEPARTMENTAL EDUCATIONAL TRIP 2018**

## **Title: IGIB TRIP 2018**

Department of Physics with department of chemistry, mathematics of SLC was organized an educational trip to Institute of Genomics and Integrative Biology (IGIB) on 27<sup>th</sup> September 2018. The trip was organized by Dr. Monika Goyal (teacher incharge, Physics department), Dr. Ashu Gupta (Teacher incharge, Chemistry department) and Dr. Balram Kindra (Teacher incharge, Mathematics Department). Students visited various labs of the IGIB. This trip not only helped them in learning new facts but also boosted their enthusiasm towards science. Around 110 students attended this trip.
