Chemistry –National Seminar Report

Department of Chemistry has organized two days National Seminar in collaboration with Commission for Scientific and Technical terminology, Ministry of Human Resource Development, Govt of India on “**Science with Lens of Scientific and Technical Terminology**” during 29-30 January 2020, under the convenorship and coordinator ship of Dr Reeta Sharma.

In this seminar 90 participants have participated out of which 12 were outstation participants. 18 resource persons including chief guests and guest of honor were

delivered invited lectures during two days. Professor Avinash Chandra Pandey, Director, IUAC, New Delhi, Professor Avinash Kumar, Chairman, CSTT and Director, CHD, Professor Rana Pratap Singh, Pro Vice Chancellor, JNU, Shri Rahul Dev, Senior Journalist, Professor Pramod Kumar, Registrar, JNU, Professor Harsha Kharakwal, Director, IFMFC, Amity, Dr Pravesh Mehra, Director and HOD Dental Oral Surgery, Lady Hardinge Medical College, Professor Deepak Pant, Dr Ajay Kumar were the main speakers who have grace the occasion and delivered invited talk. Physical Science students also attended the seminar.

This seminar was multidisciplinary and organized in Hindi. The main motto of this Seminar is to propagate the evolved Science terminology amongst the teaching fraternity and trained them to use as well as work in Hindi so that our students grasp more and more about the concept of the Science in their own language. And also trained the teacher to prepare the bilingual question papers as well as asks them to present their knowledge in to the Indian Languages. This could be achieved by writing a science book and research papers in Hindi using Scientific Terminology approved by CSTT (MHRD). According to MHRD, Science knowledge in Hindi will serve more benefits to our students and common man rather than in English The National Education Policy (NEP) 2020 also focuses to promote Indian Languages.
