

by Dr.Vinod Kumar (TIC Chemistry)

Department Of Chemistry, Shyamlal College (University of Delhi), organized two days, (February 20-21, 2018) Chemical Society Fest **Rasayanika-2018** and Chemistry Seminar-2018. On February 20, 2018, 112 students participated in various programmes like Exhibition of Small Scale Chemical Industries (Nail Polish Preparation, Soap Preparation, Blackboard Chalk Preparation, Boot Polish Preparation, Red and Blue Ink Preparation etc.), Vedic Mantra Recitation, Poster Presentation, (Topic: Environment and Climate Change), Debate (Topic: Cyber and Society), Rangoli Making and Smell and Tell Chemicals. On February 21, 2018 two lectures (**1.** Carbohydrates: Applications as Drug Carriers by Prof. (Dr.) Ashok Kumar Prasad, University of Delhi. Prof.Prasad explained carbohydrate, their classification, structure and application as drug carrier to the target side of the disease. He also emphasized that the importance of carbohydrate in many field which is understood by the students as they have carbohydrate in their syllabus and **2.**Green Chemistry by Prof. (Dr.) Rakesh Kumar Sharma, University of Delhi) delivered principles of green chemistry, and practicals associated with green methods of chemistry by showing the video. Also, explained the progress of green chemistry in India and in the world institutions which is liked by students as green chemistry paper is studied

by B.Sc.Physical Science students as skill enhancement course paper. In both the lectures large number of students and teachers of the college participated. First, Second and Third Prizes were given to the winner of **Rasayanika 2018** for participation in various events. In chemical exhibition, First prize won by Rishabh III Year and Ayushi III Year, Second prize won by Priyanka III Year and Deepshikha III Year, and Third prize won by Aditya III Year and Rajaul III Year. In Vedic mantra recitation, Deepshikha III year won First prize, Priyanka III year won Second prize and Himanshu II year won Third prize. In poster making competition, Rahul III year won First prize, Priyanka III year got Second prize and Shalini Mishra III year got Third prize.

In debate competition, Deepshikha III year got First prize, Yuvraj Goswami III year got Second Prize and Third prize won by Nivedita III year. In rangoli competition, First prize was given to Richa II year and Riya of II year, Second prize got by Cheshtha II year and Akshita II year, Third prize was given to Richa III year. In smell and tell competition, First prize holder was Cheshtha II year, Second prize to Nisaar II year and Third prize to Rishabh III year.

In both the days, anchors were Anjali Sharma I year, Nivedita III year, Ramneek III year and Megha Vashishth II year.

Prizes were given to winners by Prof. (Dr.) Rakesh Kumar Sharma, Department of Chemistry, University of Delhi. Dr.Rabi Narayan Kar, Principal of the college graced the occasion both the days.
