

## **ORIENTATION PROGRAM**

**Date:** 20<sup>th</sup> November 2020

**No. of participants: 40**

### **Report/Brief description:**

Student Orientation is a warm-up session for students before they are ready to hit the ground for their final performance, for a successful career. With fresh batch of students joining our college's department, the orientation session was held in the presence of faculty members of economics department. The fresh entrants were introduced with the department teachers and were given valuable tips and suggestions for their college life and good wishes from the teachers. The session was indeed productive to bridge the gap as they all embark on new journey of their life.

The orientation program began on 20th November 2020 with the welcome of the students by their seniors. Then the students were addressed by the teachers, who welcomed the students and gave them an introduction regarding the academic disciplines. By giving a rough idea of academic expectations, students were prepared for the challenges they might face during their graduation programmes. Followed by the seniors, who introduced the students with all the societies of the college. They informed them about the basic workings of different societies and about the recruitment structure. The students were then shown a brief presentation on the virtual tour of the college as it will allow them to get apprised of the college interiors so that they do not find themselves lost. were given valuable tips and suggestions for their college life and good wishes from the teachers.

The session was indeed productive to bridge the gap as they all embark on new journey of their life.

Answering all their queries and doubts, counseling, guiding them are some of the activities involved in this orientation program. After that, Institutions appoint old students as the orientation leaders who can also share their own experience with the newcomers and make them aware of the awaited experience.

A feeling of belongingness is inculcated in student's mind during the orientation, which makes them feel a part of the university community.
