

TRYST – Virtual Freshers

Date: 17TH February 2021

No. of participants: 42

Report/Brief description: The virtual fresher was organized for our bright new entrants to break the ice and shrug off shyness and create bonhomie with the seniors of the same department. The event consisted of 3 rounds on the basis of which Freshers were awarded various titles.

The event started with **ROUND 1: Fresher's introduction**. All the freshers introduced themselves and told everyone their hobbies and interests. After the introduction part, the virtual games began.

The first game was – '**Guess the Song**'. The titles of few Bollywood songs were translated to English and the students had to guess the real song and write it in the chat box first and with correct spellings. All the freshers as well as the department teachers enjoyed the game.

After this, we started with our second game- '**Guess the Gibberish**'. In this game, the players were given some gibberish texts which when spoken together, sounded like the titles of Bollywood songs and movies. Almost all the movies/songs were guessed correctly.

Next was **ROUND 2: Scavenger Hunt**. In this round, players were given a basic condition according to which they had to bring things (Say, a yellow object, a black pen, etc.) and show it to the seniors by showing the objects in their camera. Players who brought the suitable things first were given points.

Then the event was taken forward by another game named '**Guess the Movie**'. In this game, few hints were given in the form of pictures of

objects/dialogues used in that particular movie or in its song, players had to guess the correct movie and write it in the chat box correctly.

Then came another game titled '**Mismatched**'. This game included pictures of two celebrities mixed together. Players had to guess the name of both celebrities. Freshers played and succeeded in this game too.

Then came the **FINAL ROUND: 15 QUESTIONS**. In this round, players had to play in pairs. One would think of a celebrity and the other can ask 15 indirect questions from his/her partner to get an idea of his/her guess. The one who will give the correct answer will get points. This was a challenging round and was done with their cameras and microphones on.

Finally, the last game of the day was- '**Never Have I Ever**'. In this game, everyone was asked to bring water/cold drinks in a glass. Then they were asked funny questions, if they did the thing asked, they must take a sip. This was a game full of laughter and fun.

Then came the end of the virtual Freshers and the results were announced. Various titles were awarded to the students based on their performance.
