Report

Shyam Lal College (SLC), a co-educational constituent college of the University of Delhi, was established in 1964 by the great visionary and entrepreneur Padmashree (late) Shri Shyam Lal Gupta. SLC has earned its legitimate reputation as the most efficient and prominent educational institution in the entire East Delhi region. SLC has become the center of academic excellence since its inception and aims to make quality education accessible to the students, especially girls, from economically and educationally disadvantaged community of East Delhi. The endeavor of the College has always been to make higher education more committed, job oriented, meaningful and pragmatic, and at the same time more adaptable to the ever-changing demands of our society and globe. Commemorating the 75th Independence year, Government of India has decided to celebrate by promoting and organizing several public engagement events under *Azadi ka Amrit Mahotsav*. The programmes and campaigns would focus on citizen participation, to be converted into a 'Janandolan', where small changes, at the local level, will add up to significant national gains. Shyam Lal College (SLC) takes its first step on Swachh Bharat Mission on 2nd August 2021 to spread more awareness among the students and society about the *Atmanirbhar bharat*.

The College organized various activities like plantation drive in college premises to increase awareness among the students of different courses about the plants and their importance in nature. This drive was a huge success empowering students with substantial knowledge of environment and plants and simultaneously enhancing their social skills. Apart from this, there was an Art exhibition of craft work made by students out of waste materials. They made some creative and useful things from the waste and introduced a better way to recycle waste to reduce pollution. SLC students are also participating in various events organized by government agencies under *Azadi ka Amrit Mahotsav*. SLC has series of events lined up to celebrate the *Independence Day* month which is August. All the Centres, Cells, Departments have planned interesting line up of Events, Competitions, Seminars and Talks to commemorate 75 years of Indian Independence.
