Institution's Innovation council (IIC) of Shyam Lal College (SLC) in collaboration with IQAC conducted a inter college competition on call for paper writing and research on INNOVATION , in the academic year 2021-2022 for students.

The event intends to inculcate research based innovative ideas to provide possible solutions to various problems prevalent in societies, business, product manufacturing, services etc.

The primary objective is to motivate and guide students towards innovation based learning and not just by traditional methods. The idea of research may revolve around the following themes(*the list was only indicative and not the exhaustive*).

1. Horticulture,
2. Agriculture,
3. Social welfare/social entrepreneurship,
4. Rural development,
5. Smart vehicles,
6. Nutrition,
7. Robotics,IOT and AI(Security and surveillance system)
8. Clean drinking water,
9. Tackling water shortage,
10. Renewable and affordable energy

After going through received papers our team shortlisted following three papers:

1. Paper on "*Nutrition research*" by Harshita Aggarwal.
2. Paper on "*Application of block chain*" by Altamas Parsa.
3. Paper on "*Middle east*" by Harsh Sharma.
