

## **National Webinar on “Challenges of Teaching-Learning in Schools in Rural Areas during Covid-19 Pandemic”**

The UBA, SLC and IQAC organized a National Webinar on “Challenges of Teaching-Learning in Schools in Rural Areas during Covid-19 Pandemic” on 7th November, 2020 with Prof. Veera Gupta, NIEPA, Delhi as the resource person who talked about teaching-learning process in schools particularly in rural areas. The webinar was attended by 180 delegates from different academic institutions of the country. The webinar began with introduction of the theme given by Dr. Kusha Tiwari, Convenor IQAC and project investigator of UBA, SLC. Dr. Tiwari talked about the Teaching-Learning in Schools before the pandemic and the challenges we faced during pandemic. After the introduction, Prof. Rabi Narayan Kar, Principal SLC gave the welcome address and talked about the pedagogies and challenges faced in rural and urban areas during Covid-19. With this background, Prof. Gupta talked about how the pandemic is affecting all parts of society and livelihoods around the globe. She said that disadvantaged segments of populations like rural young women and men are impacting harder. Covid – 19 has disrupted the complete education sector. Teaching and learning in villages and far off areas where students do not have access to internet and mobile devices have impacted very badly. She emphasized on the need for governmental intervention in such areas for the benefit of students. The discussion was followed by a very lively interaction with the participants who eagerly asked questions and discussed further on the topic. The webinar ended with a vote of thanks to the resource person and the participants for a very lively discussion.
