### **Cleanliness and Sanitation Drive**

Shyam Lal College, under Unnat Bharat Abhiyan, an MHRD project, organized a Cleanliness and Sanitation Drive in nearby areas on 5th October 2021.

The main objective of this programme was to spread awareness among the people about the significance of Cleanliness and sanitation and its benefits. All the members of UBA and Swach Bharat Abhiyan participated in the program organized by the college. Around 6 students and other staff members contributed towards this social cause.

The programme began by cleaning the corners of the college. Brooms and dusting sticks were picked with great enthusiasm and everyone started their jobs. The members then moved to nearby parks, markets and localities.

The members were observant enough and collected the wraps thrown on roads and they also installed dustbins in the markets to ensure proper dumping of garbage in the bins. They also educated people about the importance of sanitization while they sanitized the nearby areas for prevention of diseases.

Principal Sir congratulated and thanked each and every participant for their contribution towards the programme.
