Covid-19 awareness drive in UBA adopted village

Due to rising Covid cases, the UBA team of Shyam Lal College, under Unnat Bharat Abhiyan, decided to spread awareness about Covid-19 in rural nearby areas, So, on 13th September 2021, the UBA team went to their adopted village **Jawli** to spread awareness about Covid-19. They also ensured sanitization of the village. 6 students participated in the drive.

The UBA team divided itself into two teams to spread awareness about the Covid-19. The UBA members told villagers deeply about the Covid- 19, its causes, symptoms and methods of prevention. The UBA team explained to them about the necessity of using masks, social distancing, cleanliness, sanitization, maintaining good health, and need for quarantine. The UBA team also showed them documentaries about covid-19 for the better understanding. They also conveyed the PM's message to stay home and stay safe.

The Villagers were curious to get answers of the questions and doubts regarding Covid and vaccination and the UBA team resolved all the queries. The UBA team requested the Sarpanch of village to take care of all the necessary precautions and he also assured that all things would be followed properly. The Sarpanch appreciated and thanked the team and Shyam Lal College for this initiative.
