

Cleanliness Drive - At Shahdara Mandi

On August 12th, 2022, a cleanliness drive was conducted at Shahdara Mandi, organized in collaboration with the Internal Quality Assurance Cell (IQAC) of Shyam Lal College. The event engaged 27 student volunteers from the college, who aimed to enhance cleanliness and hygiene in the market area. The drive kicked off with a briefing session led by IQAC representatives. Afterwards, volunteers equipped with gloves, masks, and trash bags were organized into groups and assigned specific sections of the market to clean. They diligently collected various types of waste, including plastics and paper, and swept common areas.

During the drive, the volunteers interacted with shopkeepers and visitors, distributing pamphlets and posters that emphasized the importance of cleanliness and personal hygiene. They also fostered discussions on responsible waste disposal practices. The drive markedly improved the cleanliness of Shahdara Mandi, with a visible reduction in litter and waste. Additionally, the campaign effectively heightened public awareness about hygiene and waste management.

The participation of Shyam Lal College students underscored their commitment to social responsibility and environmental well-being. This initiative not only improved the market's cleanliness but also played a crucial role in educating the community, successfully achieving its objectives of promoting a cleaner and more hygienic environment.
