Student: Pooja Jha , Abhishek Pandey, Krishna Jha, Abhishek Kumar, Amit Prasad .

AIM:

The Program aimed to bridge the gap between urban and rural education system by providing support and guidance to students at a village government school 🧑🏫.

Objective:

1. To provide career guidance and counselling to students from village government school.
2. To familiarize students with various career options and pathways available to them.
3. To offer information about educational opportunities
4. To Inspire and motivate students to pursue higher education and explore diverse career path.

Program Implementation:

The career counselling program was designed and implements by UBA team (Faculty members and Students) of SLC (DU).

Outcomes:

The career counselling program yielded several positive outcomes for the participating students.

- ***Increased Awareness:*** Students gained a better understanding of various career options and educational pathways available to them enabling them to make more informed decision about their future.
- ***Enhanced Confidence:*** Through this UBA counselling program, students developed confidence in their abilities and aspirations motivating them to pursue their goals with determination.
- ***Improved Decision making:*** *The Program equipped students with tools and resources needed to make sound decision about there academic and career path, empowering them to plan for their future with clarity and purpose.*
- ***Expanded Opportunities:*** *By providing information about education and various field students pursue higher education and skill development.*

Conclusion:

SLC (University of Delhi) career counselling program for village government school students has made a significant impact in guiding and empowering students from undeserved communities to explore diverse career opportunities and pursue their dreams. The Program equips students with the tools they need to build successful future and contribute to the development of their communities.
