**Alumni Meet – Commerce Department**

**Venue:** Multi Purpose Hall

**No. of Students Performed:** 02

As part of the **Alumni Meet celebrations** organized by the Commerce Department of **Shyam Lal College, Aarodhya – The Indian Dance Society**, presented a heartfelt performance that honoured the spirit of connection, tradition, and pride in our alma mater.

The performance, choreographed by **Kanishk singh (president), Tanya ( coordinator)**, was a cultural tribute to our shared legacy as students and professionals. Set against the nostalgic and vibrant setting of the campus, our dancer took the stage with grace and emotion, weaving together classical and contemporary styles that represented the journey from student life to success in the real world. The performance served as a bridge between the past and the present—honoring the sacrifices, growth, and values that have shaped the Commerce Department and its community. More than just a visual treat, the performance was a celebration of unity, tradition, and the lifelong bond we all share with Shyam Lal College.
