REPORT ON

Theatron: Deen Dayal Upadhyaya College (18th April, 2024)

At Theatron by DDUC, Falcon Films embraced challenging constraints that tested their prowess in cinematography, storytelling, and overall production. Assigned the task of creating a short film solely using close-up shots under the theme "The Last Message," the team rose to the occasion with creativity and innovation. Despite the limitations, Falcon Films crafted a compelling narrative that resonated deeply with the audience and judges alike, earning them a commendable 2nd position in the competition.

The constraints imposed by Theatron pushed Falcon Films to explore new techniques and refine their cinematic skills. Focused exclusively on close-up shots, the team skilfully captured intimate moments and emotions, heightening the impact of their storytelling. The thematic exploration of "The Last Message" allowed Falcon Films to delve into poignant themes of closure, reflection, and human connection, offering viewers a thought-provoking and immersive experience.

The recognition of Falcon Films' achievement at Theatron underscored their ability to excel under pressure and deliver impactful narratives within specified constraints.
