On October 8th, 2024, the Fine Arts, Photography, and Cultural Society (FPCS) of Shyam Lal College hosted a captivating exhibition titled *Divya Swapna: Where Reality Meets Divinity*, under the guidance of **Dr. Raj Kumar Prasad, Convener of the Cultural Committee**, and **Ms. Gunjan Khandelwal, Convener of FPCS**. This unique showcase, held on the auspicious 6th day of Navratri, symbolized the traditional face reveal of Durga Maa and celebrated her nine divine avatars, each mirroring a significant stage in a woman's life.

The exhibition featured nine intricately crafted portraits, each created by an FPCS artist, representing the journey of womanhood through Durga Maa's avatars—from Shailputri as the daughter to Siddhidatri as the ultimate bestower of blessings. A special highlight was a stunning photograph by an FPCS photographer, capturing the essence of the divine, which added a unique artistic dimension to the event.

The presence of **Principal Prof. Rabi Narayan Kar**, along with faculty members and esteemed guests, elevated the event, with their support and appreciation greatly inspiring the artists. This occasion emphasized empowerment, showcasing each stage of a woman's life—from student (Brahmacharini) to wife (Chandraghanta) to the protective figure (Kalratri)—through divinity and artistry.

The event concluded with heartfelt thanks from FPCS, especially to **Dr. Raj Kumar Prasad** and **Ms. Gunjan Khandelwal**, whose support was instrumental in bringing *Divya Swapna* to life. This exhibition has left a lasting impact, further strengthening the cultural spirit of Shyam Lal College and providing an inspiring, reflective space for all attendees.
